The children are (9)_____ and (10)_____ because they do not have enough (11)_____ to eat. They do not have enough (12)_____ clothes to wear in the (13)_____ winter.

Life is (14)_____ for them. They need our help. What can we do to help them?

Section E

Reading Comprehension

- I. Billy is reading an article. Help him answer the questions. Circle the correct answers and give short answers. (12% @2%)**

For every two children in the world, there is one growing up in a poor family without food or clean water. They are threatened by diseases and have no chance to go to school. Many children have even lost their parents and are homeless. Life is hard for them every day.

Every day, 17,000 children die of hunger.

Echakan, a three-year-old girl, was born in Africa. She lives in a very poor family. She weighs only 10kg and is extremely weak and often ill. She cries a lot and she is even not strong enough to play because she has only one meal of congee a day. Nearly one million of children all over the world who are living like Echakan.

- About 150 million children under five years old are underweight.
- About 77 million children do not receive primary education.

So please join us to become a sponsor. For just HK\$7 a day, HK\$220 a month, you can sponsor a child through World Vision to make a difference to a child's life.

1. How many meals can Echakan have a day?

- A. zero B. one C. two D. three

2. Which word in the article means “too thin”?

3. How many children die every day because they do not have enough food to eat?

- A. 77 million
B. 150 million
C. 17,000
D. 220

4. Which word in the article means “a person who donate money to help others”?

5. What is the name of the charity organization?

6. How much per day do we donate so that a child can have enough food to eat and
can go to school?

- II. Billy saw a poster outside a shopping centre. Read the poster and answer the questions in COMPLETE SENTENCES. (10% @2%)
